# Our business is making things better

What's yours?

citizens  
advice

South  
Worcestershire

Charity number 1146772

We, like you, believe in a world class Worcestershire. To achieve this vision we all need to work together and contribute what we can. For us that means quick, accessible, expert support for people whenever they need it. None of us knows when life might change or a problem appear. Navigating a way through can be difficult, lonely and stressful. Worry can impact on work, health, and relationships.

## A friendly face can make all the difference.

So we want to build mutually beneficial partnerships with other local organisations. Together we can strengthen and support our community, families, friends, colleagues and employees, and make the place where we work a better place to be.

## Why work with us?

We are a well-known and highly regarded local charity. By working with us you could improve:

- your business reputation
- your community relations
- your PR and marketing opportunities

A partnership with us will show you care about the community in which your business operates.

Staff may feel more motivated and involved through having time to volunteer and/or contribute positively.

Providing opportunities for staff to understand where they can get help if they need it may also make them feel more supported and valued.

Working with us will help you demonstrate corporate social responsibility and social value. In some circumstances this may give you a competitive edge.

## How can you get involved?

Opportunities will vary over time, but some examples are:

- Holding a fundraising event
- Promoting volunteering opportunities
- Providing a competition or raffle prize
- Sponsoring a publication
- Sharing expertise – a training session for us or our clients
- Donating equipment
- Providing a venue/meeting room
- Payroll giving

Often activities can be related to things that are already happening. If you and your staff like to keep fit and already run, walk or cycle, could you get sponsored for doing so? If you like to shop online, we are listed on [easyfundraising.org.uk](http://easyfundraising.org.uk)!
